RE-OPENING COURT ANNOUNCEMENT

The Hardeeville Municipal Court wishes to announce that we are fully operational, and our first term of Traffic/Criminal Court will take place on Thursday, June 11, 2020 starting at 10:00 am. In adherence to Chief Justice's Orders and CDC recommendations, we have put in place a procedure to protect both our employees and all who visits the building.

Upon arrival, you will note a check-in point where you will need to provide your cellphone number and ticket number. Upon providing this information, you are to return to your vehicle until you receive a text message from the court advising that it is your turn to come before the court. All defendants, witnesses and/or attorneys are encouraged to wear masks and, only these individuals, will be allowed in the courtroom.

Please look out for signs which have been placed to direct our visitors where to sit and/or stand while practicing social distancing in this process. We ask everyone to exercise patience while implementing these procedures during the COVID-19 pandemic.

The Hardeeville Municipal Court staff looks forward to serving you.

Respectfully sent,

Judge Nancy Gutierrez
